Aloha,

I strongly support this Resolution.

Too often these RUP violations get swept under the rug and it must stop.

There needs to be much stronger oversight of all RUP use in Hawaii including how it's stored, where it's stored, who is authorized to apply it and how the residue of sprayers, bottles and drums are disposed of.

I also support restricting all RUP in the State and County Agricultural parks where drift can contaminate adjacent farm plots.

Mahalo for your support of this important resolution.
